

More Than an Introduction to *A Course in Miracles*

This eight-week introductory course will provide a solid foundation for understanding *A Course in Miracles*, which is a modern spiritual classic. Together, we will focus on the radically transformative teachings of the Course and their powerful effects on our lives and our relationships.

Whether you're new to the Course, simply curious about it, or an experienced student looking to deepen your understanding and your relationship with the Course, there's something here for you as we explore the basics of this truly remarkable and immensely practical path of spiritual awakening.

Presented by Debra Ann Kaiser

Debra's first 'NDE' as an adolescent, taught that our innate eternal self never dies.

Join Debra to explore how we can overcome fear and the dream of death, by choosing love instead, as is expressed in both her NDE and in A Course in Miracles.
